As a company committed to reconciliation and inclusive growth, we actively support Indigenous engagement through employment, training and partnerships with Aboriginal-owned businesses. We strive to foster meaningful relationships that create lasting opportunities, contributing to a stronger and more diverse construction industry.

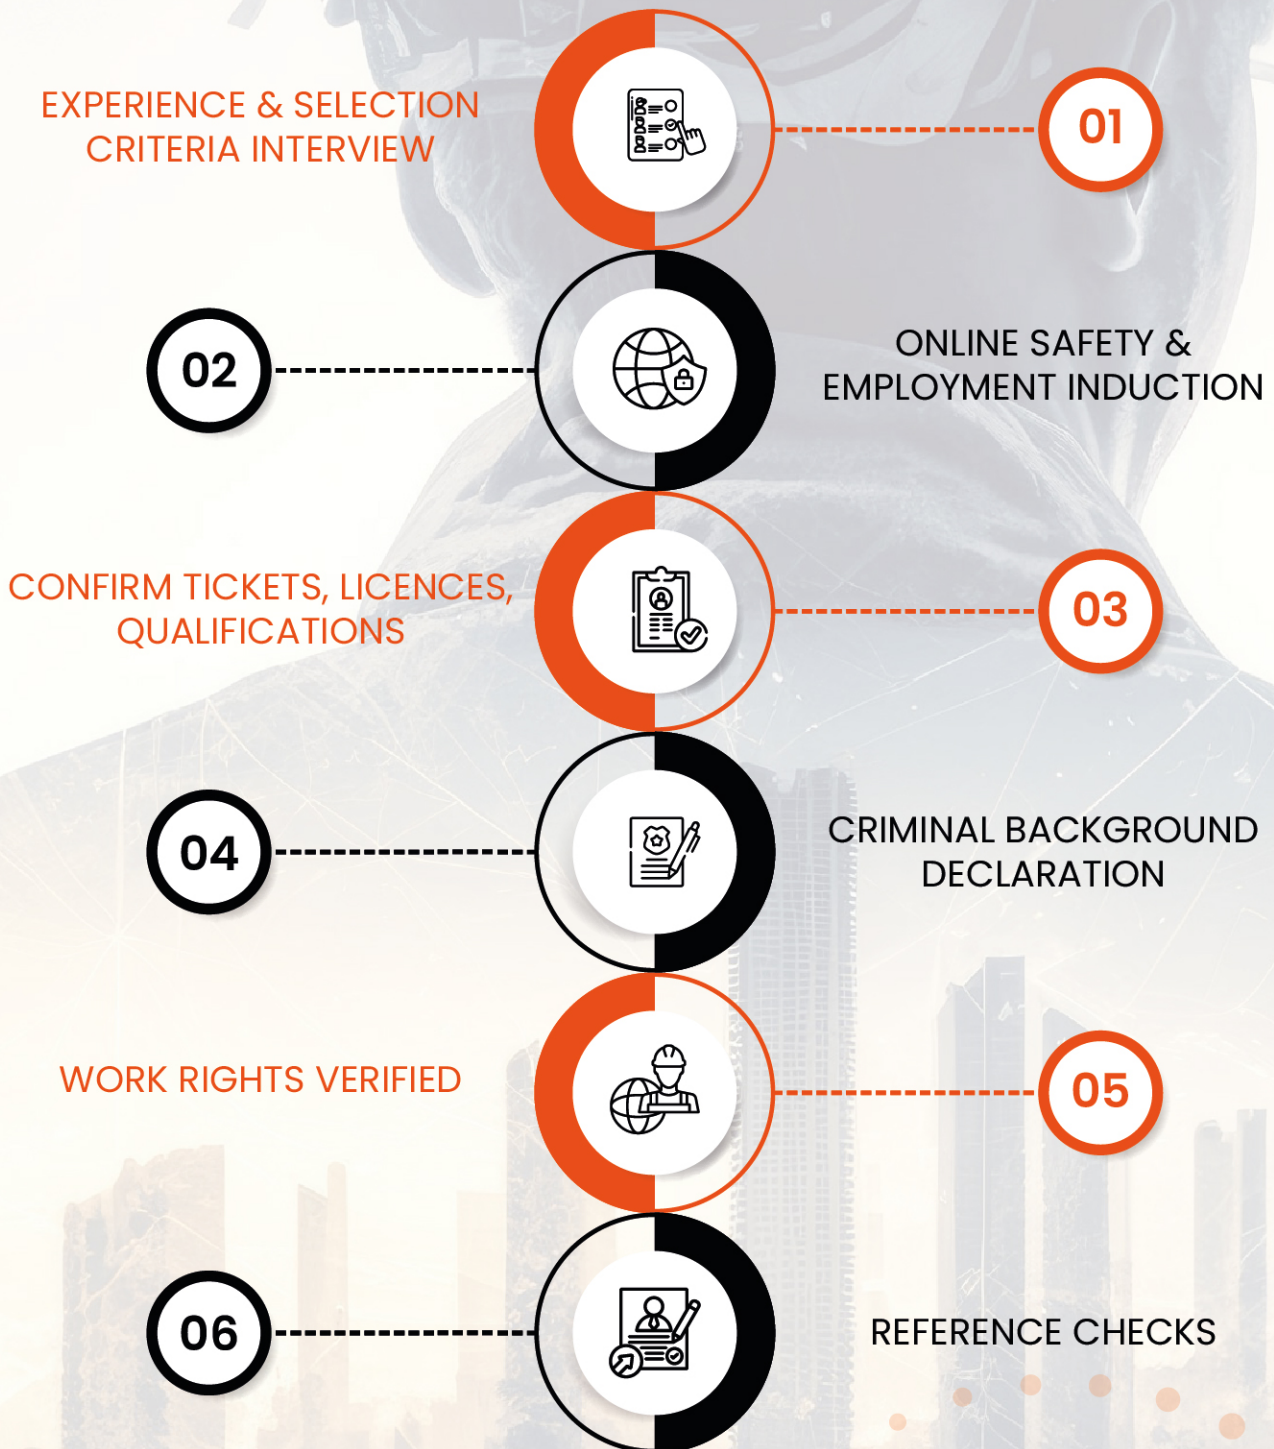

## OUR PROMISE

We are committed to strengthening and promoting Aboriginal-owned, operated, and certified businesses, ensuring they are at the forefront of our supply chains and partnerships. Our focus is on fostering authentic and meaningful engagement with Aboriginal and Indigenous communities, creating lasting relationships built on respect, cultural understanding, and mutual growth.

As part of this commitment, we are proud to announce our sponsorship and partnership with our directors' and managers' rugby team for the 2025 Koori Knockout — a significant event celebrating Aboriginal culture, athleticism, and community spirit. This initiative reflects our dedication to supporting Indigenous-led initiatives both on and off the field, contributing to the empowerment and visibility of First Nations people.
